Quick Tips for Contacting Landlords

- Ask these questions:
 - 1) How do I start the application process for the apartment at _____?
 - 2) How much money do you need for application fee and deposit?
 - 3) Do you have an income requirement for this apartment?
 - 4) Can I set up a time to view the apartment and meet with you?
- Be honest about your eviction history, criminal history and credit. They'll find out anyways!
- If things are different now than they were when you were evicted, tell the landlord what has changed and what steps you're taking now.
- Always TRY! Don't assume a landlord will say no just because others have. Each one is different. Give yourself a chance by calling and asking.
